Bringing Innovation  
Into the Yachting Industry

INVITATION TO OPEN TALK

**METS2010 16-18 Nov 2010**  
**STAND: 10.600 SYP**  
**Time: 13.00**

The talk will provide an overview of the main challenges for design teams that need to collaborate and communicate design and analysis information even when geographically spread.

PROGRAM

13.00 - Welcome and introduction of the challenges in design team (Andy Cloughton)

13.10 – Design team experience (guest speaker)

13.20 - BRIO – the solution

Confirmed speakers:

TUE 16<sup>th</sup> → Tom Schnackenberg- live from Valencia

WED 17<sup>th</sup> → Jason Ker

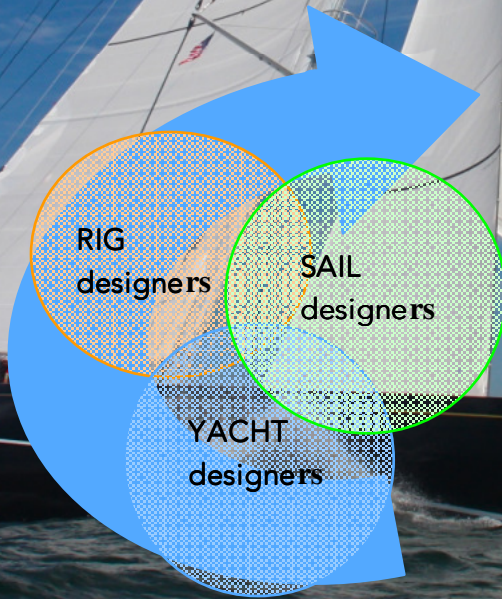

THUE 18<sup>th</sup> → Clay Oliver

After the talk, representative of SMAR Azure and the Wolfson Unit will be available to address specific question in private.

We look forward to meeting you!

**10.600**

5 good reasons to visit us

1. **BRIO**: collaborative project management software for Yacht, Rig and Sail designers. Brio connects designers with powerful analysis, design and performance tools

2. **RigEdge**: the rig design tool that takes into account the sail loads.

3. Enjoy a personal demonstration of the latest version of **AzureProject**

4. Experience **SA Evolution**: the revolutionary technology to optimize fiber layouts

5. Meet the Wolfson Unit team
